(h) Extend the Bear Rescue Facility to accommodate additional bears and improve the facilities for present bears. The existing bear safari will display only such animals as found & certified to be mentally, psychologically & physically fit for display by the concerned Veterinary Officer of BBRC. Since Sloth Bears are highly evolved social creatures, a highly integrated & compatible group of bears that are fit for display shall be given access to Bear Safari.

(i) Any bears not fit for display / needing intensive care / rest / suffering trauma / displaying behavior aberrations will be transferred to BBRC, after mutual discussions between the parties.

ARTICLE II

Both parties also agree to the following in order to execute the action plan and the scope of work related thereto:

(a) Collaborate at all stages of the execution of all mutually agreed activities, and shall not withhold from each other relevant information or otherwise hinder the execution of the action plan.

(b) The present BBRC to be developed in an apportioned area of about 30 acres within the Bear Safari is to create facilities for the bears which are already housed presently at the centre. Looking into the success and performance evaluation of the BBRC, both parties agree to extend the additional area to accommodate additional bears and improve welfare of existing bears housed at the center.

(c) The FIRST PARTY shall make available an additional area of (minimum thirty acres) or more adjacent to the present bear facility as an extension of the same in order to provide adequate socialization enclosures for the present bears and for any additional bears rescued and rehabilitated here. The SECOND PARTY shall raise the necessary financial resources to develop this extension and the future management of this extension area. The number of bears housed in such extension area shall be based on facilities created as per CZA guidelines.

(d) The FIRST PARTY shall also endeavor to assist the SECOND PARTY to facilitate the development of the extension area, by applying to the Central Zoo Authority for funds, if available towards construction of extension area, running costs of the extension area, improvement of extension area and management of extension area. The facility in its present form and after extension shall continue to remain the property of the FIRST PARTY.
